

# KOREA INSTITUTE OF MACHINERY & MATERIALS(KIMM)

An independent, government  
designated, nonprofit  
institute for ship safety

## TEST CERTIFICATE

OF

### ELECTRICAL APPARATUS FOR EXPLOSIVE GAS ATMOSPHERES

(Issued under Authority vested by the Government of Republic of Korea)

Cert. No. : EX25FLP005 Date : 22nd Aug., 2013

Description of apparatus : Signal Light & Phone

Rating : DC12/24/48V, AC110/220/380/440V

Model(Type) : SEBA

Manufacturer(name) : Q. LIGHT CO., LTD

(address) : 178-1 Woogy-e-Ri, Sangdong-Myun, Kimhae-Si, Kyungsangnam-Do, Korea

Drawing No. : SEBA-S000

THIS IS TO CERTIFY that the above mentioned apparatus has been tested and inspected by KIMM in accordance with the standard of IEC 6079-0, 60079-1 & 60529 and has been found to comply with the requirements of the standard.

Type of protection : Ex d IIC T6 / IP55

Test report No. : KIMM No. H25012E

Marking : KIMM No. EX25FLP005, Ex d IIC T6 / IP55
