

**KOREA INSTITUTE  
OF MACHINERY &  
MATERIALS(KIMM)**

An independent, government  
designated, nonprofit  
institute for ship safety

**TEST CERTIFICATE**

OF

**ELECTRICAL APPARATUS FOR EXPLOSIVE GAS ATMOSPHERES**  
(Issued under Authority vested by the Government of Republic of Korea)

Cert. No. : EX08FLP021 Date : 22nd Aug., 2013  
Description of apparatus : Warning Light(DC12/24V, AC110/220V)  
Model(Type) : SE, SE-L, SE-LF, SE-S  
Manufacturer(name) : Q-Light Co., Ltd.  
(address) : 178-1 Woogye-Ri, Sangdong-Myun, Kimhae-Si, Kyungsangnam-Do, Korea  
Drawing No. : SSE-SS000A, SSE-SS000B, SSE-SS000C

THIS IS TO CERTIFY that the above mentioned apparatus has been tested and inspected by KIMM in accordance with the standard of 60079-0, 60079-1 & 60529 and has been found to comply with the requirements of the standard.

Type of protection : Ex d IIC T6, IP66  
Test report No. : KIMM No. H08024E  
Marking : KIMM No. EX08FLP021, Ex d IIC T6, IP66
