

# Waterproof LED Light Bars for Multi-use with Protection of IP67/IP69K

## QCML / QCMLC

High seal and high waterproof light bars that can be used in high temperature wash down applications Can select from a variety of light colors from cool daylight, incandescent, amber and red color lights to fit your application needs

### PRODUCT SPECIFICATION

QCML | QCMLC

**Materials** Lens-PC, Side cover-PC, Heatsink-Al, Bracket-PC

**Ambient operating temperature** -30°C to +50°C

**Protection rating** IP67, IP69K

**Certificates** CE, UL

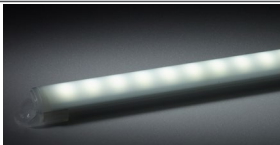

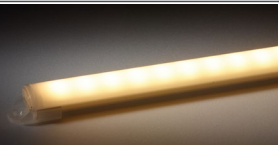

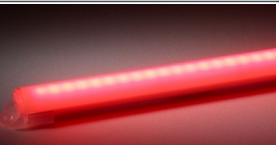

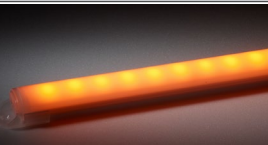

QCML Translucent lens

QCMLC Transparent lens

- Side cover and lens is integrated together with a multi silicon rubber sealing structure for superior protection from water
- Aesthetically pleasing with slim and compact housing
- Polycarbonate material provides superior heat and shock resistance
- Features great seal and durability in food processing, pharmaceutical, and beverage processing machine that needs high temperature wash down
- Can select from light colors of Cooldaylight, warm white, amber and red color lights depending on your application needs such as semiconductor manufacturing equipment, machine tools and test equipment
- Can select between transparent lens type and translucent lens type depending on your application needs
- Detachable mounting bracket structure enables to adjust mounting hole space freely
- Protection rating: IP67, IP69K
- Standard entry cable included. Can customize the product with the M12 connector if requested(Female M12 connector is not provided)

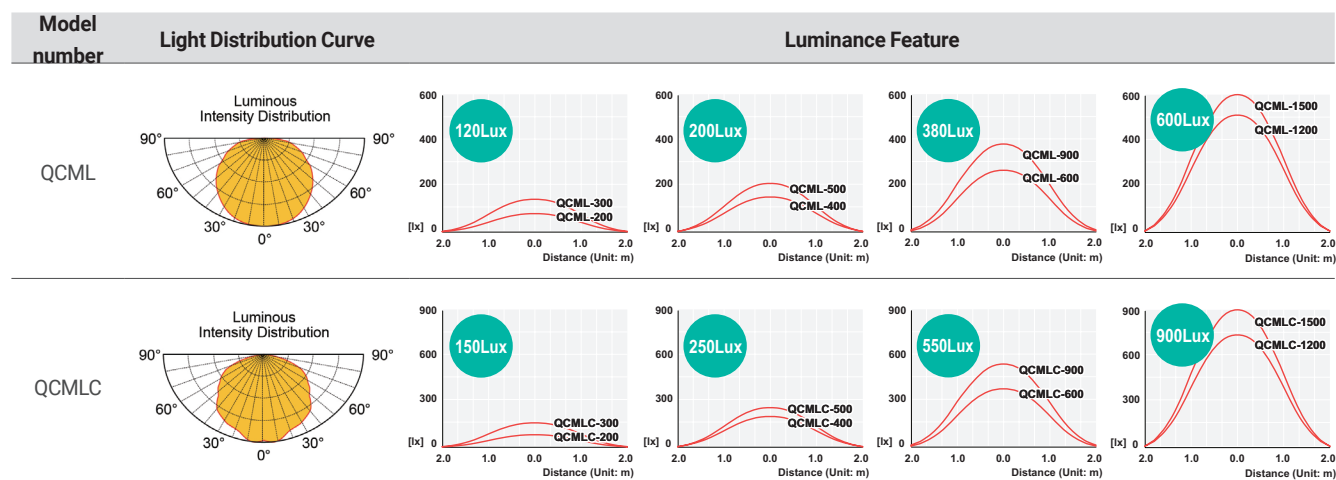

### QCML Series Waterproof LED Light Bars for Multi-use

Lens Type	Product length	Cooldaylight	Warm white	Red	Amber
Translucent lens					
	200mm	QCML-200-W	QCML-200-PY	QCML-200-R	QCML-200-A

## Mounting Structure

- Adopts removable mounting bracket and sliding structure, adjustable mounting distance.
- mounting bracket is arranged on edge or middle of body, in case of edge of body, mounting bracket space is kept.

Example for mounting outside

Example for mounting inside

## Customization

- Cable end M12 connector attached type:  
Customized Cable end M12 connector attached type available

- Foldable Bracket:  
Adjustable from 0° to 180° degrees
